Casco Community Center

Meeting Room

940 Meadow Road

- **Work Shop** – The Casco Planning Board will be holding a **public workshop** focusing on the draft Ordinance for Solar Energy Systems. It is the intention of the Planning Board to have public input on the draft ordinance before sending to Legal for the final draft and have it complete and ready for Public Hearing and Special Town Meeting in January. Please try to attend if you have any questions or comments. Copies of the current draft is available at the Casco Town Office, Code Enforcement Office.
