SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine's annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided "exactly what we needed at exactly the right time." The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine's roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation's seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer's disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

January 1, 2021

Dear Friends,

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the *CARES Act* passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the *CARES Act* lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the *Great American Outdoors Act*, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher – made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,

Angus S. King, Jr.
United States Senator

Dear Friends,

2020 has been a year of unconscionable loss and hardship. The COVID-19 pandemic has ravaged our nation, magnifying long-unaddressed inequities. I hear daily from constituents whose lives have been upended by the pandemic. As we navigate these ongoing challenges, my top priority in Congress has been to advocate for the resources Maine residents, businesses, and institutions need to weather this crisis.

In March, the CARES Act was signed into law, providing much-needed relief to Mainers, including expanded unemployment benefits, stimulus checks, grants and loans for small businesses and nonprofits, and funding for health care providers on the front lines of this crisis. As this crisis wore on, I saw increased need; that's why I voted for the Heroes Act in May and again in October to provide further support. I'm relieved we passed another relief package at the end of December, but I know another round of support is still much needed in the coming year.

The pandemic isn't the only crisis we face. Climate change threatens Maine's environment and industries. This summer, the Gulf of Maine recorded its hottest day, and we experienced the longest, most severe drought in 20 years. Maine farms continue to be stymied by climate change, but they can also play a crucial role in combatting it. In February, I introduced the Agriculture Resilience Act to ensure American agriculture is net-zero by 2045. The release of Maine's Climate Action Plan is a major step in the fight against climate change. I will continue to work with state leaders to ensure they have federal support to achieve this agenda.

2021 will offer different challenges. We must distribute a vaccine to millions, restore jobs, uplift the economy, and repair the divisions that undermine our ability to make meaningful change. I look forward to working with the incoming presidential administration to meet these challenges and emerge as a stronger, more resilient nation.

As always, the needs of Mainers guide my work as we recover from this crisis. If there is anything my office can do to help, please reach out.

Sincerely,

Chellie Pingree

diamondhollyd@aol.com

Dear friends and residents of Casco,

Thank you for the opportunity to continue serving as your State Senator. My years in public service have been some of the most rewarding of my life, and I'm looking forward to continuing to serve as your voice in Augusta.

Since the pandemic arrived in Maine in March 2020, we have been faced with many challenges few of us could have predicted. This public health crisis has brought with it economic and personal consequences that have touched every person in our state. Though there is hope that a vaccine means we are nearing the end of the worst of the pandemic, our challenges are far from over. The next couple of years will be critical to building a path forward into a bright future for our state.

In the Legislature, I have been reappointed as Senate chair of the Transportation Committee. This committee is responsible for the safety and upkeep of Maine's roadways, waterways and railroads; public transportation; and transportation policy. Ensuring that Mainers and those who visit can safely travel around our state is critical to nearly every aspect of our lives and economy, from work to education, recreation and tourism.

The past year has drawn our attention to many of the areas where we have made progress in recent years, but where more needs to be done. Ensuring that Mainers have access to quality health care in their communities is always a priority, not only when we're in a pandemic. The road to economic recovery for our state will not be short, and supporting our small businesses will be critical to rebuilding our local and state economy. The pandemic has also shined a light on the need for reliable, high-speed internet across our state, reminding us that our digital infrastructure has become just as important as our physical infrastructure in many ways. These things and more will be priorities for me and my colleagues in the Legislature these next couple of years.

I know many in our community are still struggling, and I want to remind you that I'm here as a resource for you and your family. If you need help securing unemployment benefits, putting food on the table, connecting with a state agency, or just want to talk something through, I'm here to help. You can email me at diamondhollyd@aol.com or call my office at (207) 287-1515.

Thank you again for the opportunity to represent you in Augusta. I look forward to working with and for you over these next two years.

Sincerely,

Bill Diamond
State Senator

Casco, ME 04015

Dear Friends and Neighbors,

It has been a pleasure to serve the residents of House District 67 in the Maine Legislature. I am honored that you have entrusted me again with this responsibility.

Due to the COVID-19 pandemic, the second session of the 129th Legislature adjourned *Sine Die* on March 17, 2020. The opening on December 2nd of the 130th Legislature was still impacted by the pandemic and to ensure social distancing, the *Swearing In* was held at the Augusta Civic Center instead of the chambers in the State House.

This session, our biggest priority is addressing the next biennial budget with which we're facing an impending budget shortfall of \$1.4 billion over the next three years. Difficult decisions will have to be made for prioritizing resources to make ends meet.

I encourage you to actively participate in your state government. Phone calls and letters are always a welcomed avenue for providing feedback. This session, with the increased utilization in remote meetings and hearings, happenings in Augusta are now even more accessible. Using the homepage of the Maine Legislature: Legislature.Maine.Gov, you will find access to Zoom meetings, public hearings, and YouTube videos providing updates on the latest at our State Capitol.

To join my weekly eNewsletter featuring current state news, please contact me at Sue.Austin@legislature.maine.gov and I will happily add you to my distribution.

Again, thank you for giving me the honor of serving you in Augusta and may you all have a safe and healthy 2021.

Sincerely,

A handwritten signature in cursive script that reads "Sue".

Jessica.Fay@legislature.maine.gov

Dear Casco Neighbors:

Thank you for the opportunity to continue to represent you in the 130th Legislature. It is truly an honor to serve our community.

This new legislative session looks quite different because of the ongoing COVID-19 pandemic. We were sworn in at the Augusta Civic Center, and much of our early work has taken place remotely, with both legislators and the public participating via the internet.

We are as determined as ever to continue to do the work you elected us to do accessibly and transparently. All our work is available to access online, either live or after the fact, and I encourage you to visit www.legislature.maine.gov if you are interested. I also hope you will feel free to contact me with any questions about how to stay informed about our proceedings.

This year, in addition to serving on the Appropriations and Financial Affairs Committee, I am also continuing as the House Co-chair of the non-partisan Legislative Caucus on Aging. I am proud to be working alongside my colleagues to continue to put forward policy that will help all Maine people to live their best lives. We have been talking about the crisis in the caregiving workforce, access to food, housing and healthcare for our older adults and for everyone. On the Appropriations and Financial Affairs Committee we will be discussing these issues as well as how best to allocate the federal relief funds that are under our jurisdiction. Other important policy topics this session include protecting our natural resources, public health and public safety, all of which are so important to our local and state economy.

Through both my committee work and other legislative business, I am committed to working with all my colleagues to advocate for our community and move our state forward.

Please contact me if I can be of any help to you and your family, or if you want to discuss any legislation. I welcome your questions and feedback.

Sincerely,

A handwritten signature in black ink, appearing to be 'JL Fay'.

Representative Jessica L. Fay

Town of Casco
SELECTBOARD
2019/2020 FISCAL YEAR REPORT

Greetings to the residents and tax payers of Casco

It has been a challenging and very different year. Courtney O'Donnell was hired as Town Manager after previous Town Manager retired after 42 years. There was a lot of work to be done and she started working to make changes for the better of the town. She was at the forefront of getting the town through the demands and restrictions of the pandemic. Town hall adjusted, committee meetings were suspended as was the community center activities. Casco Days was cancelled, select board meetings were held via Zoom and voting was done by secret ballot. Courtney excelled at the challenge in working through this new process while keeping the town functioning and folks safe. It was great teamwork from all the staff.

During fiscal year 2019/2020 here are some of the highlights that were accomplished:

- Stop signs/lights (now a four way stop) were installed by the State of Maine at the intersection Rte 11 and Rte 121 in October 2020, as to create a safer intersection.
- Creation of an official Town Facebook page was launched, for another touch point for citizens.
- Private roads continue to be reviewed and discussed, deadlines for compliance were extended one year and easement waivers received, this would allow private roads the time to get their roads to 1972 standards. A list of all private roads has been provided on line and the status of compliance.
- Established a Select Board meeting policy, a purchasing policy, emergency medical services collection policy.
- Approval for the Crooked River Snowmobile Club structure on town property.
- Courtney moved forward with approach to fund Memorial Field without bonding.
- Hired a consultant – Mike Morse, a private land use consultant, to assist in overhauling shore land zoning.
- Talks with neighboring towns on Oxford Dam.
- Discussion and creation for a policy to use the Tenney Hill Waste Oil Fund for private septic systems.
- Much discussion regarding recreational marijuana.
- Resignation by Courtney O'Donnell – Town Manager

Casco is a better stronger town when we all work together. We look forward to a better exciting year ahead.

Best regards to all

Tom Peaslee, Chair

Holly Hancock

Calvin Nutting

Mary Fernandes, Vice Chair

Grant Plummer

MARRIAGES – 36

BIRTHS - 25

**CASCO PARKS AND
RECREATION**

A Place for Everyone

The Recreation Department continues to grow and offer a full range of recreational activities for all ages. The goal of the Recreation Department is to provide recreational pursuits for all ages, cover a wide range of interests, and maintain fees at a reasonable and affordable level.

Soccer kicked off the fall season with a district clinic with the Varsity teams. Casco fielded 7 teams and played games on Saturdays with other towns in the district. Karate classes were held once a week at Songo Locks School, where children learned traditional martial arts, and much more. Field hockey was offered to children in grades 3rd- 6th. This program gives participants the opportunity to learn a new sport, develop skills, interact with Lake Region High School and Middle School players, and play games against other communities. Casco Recreation continues to collaborate with Lake Region Youth Football, a district wide football league offered to local children.

The Annual Veterans breakfast had another great turnout. The Recreation Department was able to provide a free breakfast for veterans in our community. Thanks to Top of the Hill Grill, Sweet Williams Maples Syrup, Watkins Flowers, and many amazing Volunteers.

Once again ghosts, goblins and ghouls gathered at the community center for an evening full of Halloween festivities. Activities included crafts, pumpkin decorating, an amazing, haunted room created by Lake Region Theater students and a costume contest. With the help of numerous volunteers, the Recreation Department was able to offer a safe environment for our children to enjoy Halloween.

When the winter chill set in, hundreds of Casco residents headed to the hardwood. Pick-up games for adults, open gym, and youth basketball programs were offered at area gymnasiums. Local children had the opportunity to play in or refine their skills in a local league with Sebago, Bridgton, and Naples. Travel teams were offered to boys and girls in 5th and 6th grade. Lake Region Youth Basketball offered kindergarten, 1st and 2nd graders an instructional 8 -week clinic, while 3rd 4th 5th and 6th grade leagues were separate. Karate continued with a winter session at Songo Locks.

Over one hundred families anxiously awaited the arrival of Santa Claus to celebrate the holiday season. It was great to see the community gather, sing holiday songs to music provided by Lake Region Band, watch a performance by Mayberry Hill Preschool children, sip on hot chocolate, decorate cookies and create their own

ornaments. Area children took a trip to Portland to board the Polar Express with Santa for a journey to the North Pole.

Seniors continue to stay active and participate in recreation programs. Trips were taken to the Fryeburg Fair, a foliage trip to Wolfeboro Inn, Hackmatack Playhouse, Cabbage Island, Magic of Christmas and we enjoyed a Fall and Spring luncheon at the Lake Region Vocational Center. Senior programs included swimming, flu shot clinic, and a “step into fitness” walking group. The Casco Meal Site continues to offer a variety of activities and a fantastic, affordable meal every Monday and Thursday at the Community Center

Tennis Instructor Chas Nichols enthusiasm and knowledge of the sport continues to spread throughout the community, and so does participation. Group and private lessons were offered for children, of all abilities.

American Red Cross Swim lessons are offered in the winter at Colonial Mast Pool on Saturday mornings. Instruction was offered for infants through level six. The response to these classes is enormous and continues to grow. Summer swim lessons were offered at the Pleasant Lake Beach, for toddlers through adults.

Over 1300 free breakfast and lunches were provided to local families at the community center as part of a free summer lunch program. Lunches are provided by Lake Region School District and served by local volunteers. This program not only provided nutrition and reading program, but also provides an environment for families to get together over the summer months. Families gather at the community center, have lunch, play games in the gym, pick up a book to take home while parents have a chance to gather and socialize.

Unfortunately, Baseball, Softball, Spring Karate, and Spring Swim were not able to happen due to the Covid.

The Community Center continues to bring citizens of all ages, interests, and abilities together. The facility has been used for several private, civic, nonprofit and profit functions. Programs have been offered in aerobics, pick-up basketball, Pickle ball, Volleyball, snow shoeing, senior fitness, flu clinics, Girls on the run program, open gym, Yoga, flu clinics, dodgeball, and Open Center for out teens to gather and play games at the Community Center on Saturday evenings.

Volunteers are essential to the recreation department. They enable us to provide a much larger program format at a considerable savings to the community. I would like to take this opportunity to thank all the volunteers who make recreation programs possible. If you would like to share a talent, teach a class, coach a team, help with a special event or just be more involved in your community, please contact me.

Respectfully submitted,

Beth Latsey, Parks and Recreation Director

**CASCO PUBLIC LIBRARY
REPORT FOR TOWN OF CASCO
FISCAL YEAR 2019-2020**

The staff and trustees of Casco Public Library are committed to the library's mission of encouraging lifelong learning and exploration, cultivating community connections, and upholding intellectual freedom. Michelle Brenner serves as Library Director supported by Wanda Vaughn-Carr as Cataloging Librarian and Ellen Ward as Library Assistant. Casco Public Library was a very busy place during the second half of 2019 and the winter of 2020! We were open every Sunday, Tuesday and Thursday with expanded hours in the summer to include Wednesday afternoons.

In 2019, CPL offered many free programs including writing workshops, teen/tween "craft"ernoons, author visits, evening movie showings, Sunday family movies, and educational presentations about genealogy and Medicare. We also hosted speakers from Maine Mammals of Maine and ecomaine. The library's three community passes (Maine State Park vehicle pass, Maine Wildlife Park pass, Children's Museum and Theatre of Maine) were well utilized during the summer and fall of 2019. Patrons were able to reserve them, providing a significant cost savings for fun family outings! During January and February of 2020, CPL offered a series of free ukulele classes for children through the support of a generous sponsor.

Book groups abound at the library! The "Bookies" and "Hooked on Books" met monthly, and CPL collaborates with Naples Public Library to receive a grant for the "Let's Talk About It" book discussion program from the Maine Humanities Council. The theme for summer 2019 was "Defining Wilderness, Defining Maine."

Our objective of providing library hospitality is furthered by outreach and collaboration with other community organizations. CPL also is proud to be a sponsor of the Casco/Naples Earth Day Clean Up organized by the Casco/Naples Earth Day Organization. We regularly visit the Senior Meal Site at the Casco Community Center and Country Village Assisted Living to report on what's happening at the library and to invite them to come in for a program, a library card or just to "hang out" and read! During the 2019 holiday season we again collaborated on *Christmas in Casco Village* with the Casco Community Center and the Casco Village Church. Our first annual Winter Wonderland of Trees that same season was a very successful fundraiser and showcased the creativity of local businesses and library friends in their donated Christmas trees for the raffle.

CPL is grateful for all of our volunteers who help keep the library's collection organized on the shelves, use their expertise in keeping our building sound and trouble shoot to keep our technology functioning. We couldn't do it without them!

When the COVID-19 pandemic shut down Maine in March of 2020, the library closed its doors to the public. CPL staff continued to provide support for community members in need of resources. Ms. Michelle provided virtual storytimes recorded live on Facebook and archived for viewing anytime. We talked people through ebook and audiobook downloads from the cloudLibrary, printed IRS tax forms free of charge, and introduced them to the Digital Maine Library, where they can access many databases, including Ancestry.com, for free. One caller was so excited when we were able to find record of where his grandfather was born in 1893!

Our open WiFi was heavily used from the parking lot and we were able to upgrade our routers to strengthen the signal. These are some scenes we witnessed in May and June of 2020.

- Having finished community college classes from our parking lot, a patron returns to attend her virtual graduation – what fun to see her dressed up with her kids!
- Grandparents sit on a bench under the pergola “attending” their grandchild’s college graduation.
- A business executive participates in a ZOOM meeting from their car.
 - Summer residents sit at the picnic table doing work on their laptops.

We were able to reopen for window pick up at the beginning of June, and hundreds of patrons took advantage of this contactless pick up of books and DVDs, which they were able to order from the CPL online catalog or just over the phone. Staff provided reader’s advisory services, particularly for those without internet access to browse our online catalog. We loved helping people discover new titles and authors!

Please contact us if you would like to know more about any of the library’s services, fundraisers, programs, events or groups. We look forward to getting back to “normal”. Visit the library’s website at www.cascopubliclibrary.org. The Casco Public Library is here to serve you. Please contact Michelle, Wanda or Ellen at 627-4541 or by email cascolibdirector@gmail.com if you have any requests or questions. We also send out a monthly newsletter through email and we would be happy to sign you up!

Respectfully submitted,

Michelle Brenner, Director

REPORT FROM THE ASSESSOR 2019-2020

The Town Assessor, acting as an agent of the State, governed by State statute and local management policy, is responsible for maintaining accurate records of property ownership, and the equitable valuation of taxable real estate and personal property located in the Town of Casco. The assessing year begins April 1 of each year, at which point all identified real and personal property within the town is documented and updated.

This department maintains permanent records setting forth:

- Title information
- Descriptions of land and buildings
- The valuation of all properties (taxable and exempt)
- Tax maps showing lot size
- Lists of all business personal property

Accurate record keeping of the property record cards, tax maps, deeds and transfer documents from the State is an ongoing process. Change in title from the deeds and declaration of value are processed on a monthly basis. Land splits and new subdivisions are tracked monthly and recorded on all of the property record cards. Tax maps are updated annually, as is information on the public website.

The State offers tax relief programs in the form of exemption and reimbursement programs which applications are administered by the Assessor's Office. Once approved, these may be applied to real estate and personal property valuations. Real property exemption programs include, Veterans Exemptions (Title 36, MSRA Section 653) Homestead Exemption (Title 36, MSRA Section 683) and Blind Exemption (Title 36, MRSA Section 654).

Personal property programs include Business Equipment Tax Reimbursement (BETR) and Business Equipment Tax Exemption (BETE). Please call or stop by the town office where These forms and applications are available at town hall, in our offices in Portland, or online at the Cumberland County website (under the "Regional Assessing" tab). Other Maine Residents Property Tax Programs may be available through the State.

Assessment and Tax Information 2019/2020

Certified Sales Ratio:	99%
Real Estate Property:	\$599,941,430
Personal Property:	\$ 10,478,750
Total Valuation:	\$610,420,180
2019/2020 Property Tax Levy:	\$ 9,400,470.77

TOWN OF CASCO
CODE ENFORCEMENT OFFICE
635 MEADOW ROAD
CASCO, MAINE 04015

REPORT OF THE CODE ENFORCEMENT OFFICER, JULY 1ST, 2019 TO JUNE 30TH, 2020

Building, Plumbing, Shoreland Project, Home Occupation, and Mooring Permits issued by the Casco Code Officer, Building/Plumbing Inspector, and Harbor Master Alex Sirois for July 1, 2019, through June 30, 2020, are as follows:

Building Permits (dwellings, additions, decks, garages, sheds, etc.): 116 (Previous year: 112)
Shoreland Zoning Permits (docks, tree cutting, erosion control projects, etc.): 47 (Previous year: 52)
Demolition Permits: 3 (Previous year: 3)
Subsurface Wastewater Permits (septic systems): 55 (Previous year: 31)
Internal Plumbing Permits: 47 (Previous year: 54)
New Mooring Permits: 7 (Previous year: 5)
Home Occupation Permits: 3 (Previous year: 2)
Recycler Permits: 2 (Previous year: 2)
Permits Denied: 2 (Previous year: 2)
Sign Permits: 2 (Previous year: 2)
Certificate of Occupancy: 25 (Previous year: 39)

The duties of the Code Enforcement Officer (CEO) continue as Building Inspector (BI), Licensed Plumbing Inspector (LPI), and Harbor Master. The Building and Plumbing Inspector responsibilities include permitting and compliance with applicable local, state, and federal codes for all commercial and residential construction and remodeling in Casco.

The Code Officer grants permits for an activity such as; any construction, dock installation, tree cutting, shoreline restoration, individual tenting or RV campsites, and other activity in the Shoreland Zone (SLZ). Note that all permits required by the Department of Environmental Protection (DEP) must also obtain a local SLZ permit before starting projects. The DEP requires that contractors working within the SLZ be certified by the DEP to do so. A list of SLZ certified contractors can be found on the State DEP website.

Besides building, septic and plumbing permits, landowners should check the Zoning Ordinance for permits and standards required for all the Zoning Districts including the Stream & Wetlands and Floodplain Zones, commercial and home occupation businesses, timber harvesting, clearing and conversion of forested land over a half-acre for fields or building sites, signs, demolition of structures, junkyards, etc. The CEO Page on the Town website, www.cascomaine.org is continually updated with codes, permit forms, links, and notices. Any construction near Sebago Lake, especially septic systems within 200-feet, require permitting or notification with the Portland Water District.

In November of 2019, the Town posted a new position for an Administrative Assistant for the Code Enforcement Officer. In January of 2020, Mary Tremblay joined the team as Assistant. This was a fulltime administrative/operations support position that provides high level administrative support to the CEO. It wasn't long into this position that Mary was appointed by the Selectboard to be Deputy Code Enforcement Officer in my absence while I pursued my career in another Town as Code Enforcement Officer. Mary stepped up and continued to work as a one-man team for approximately 4 months until the Town hired John Wiesemann as the new Code Enforcement Officer to take my place.

Owners and contractors, who are both liable for construction and land use violations, should consult with the CEO on project permitting requirements. Homeowners who obtain a permit or authorize an agent such as their contractor must make sure the permit placard is displayed on site and visible to the road. After-the-fact permits may be granted by the CEO but require a doubled permit fee penalty. Blatant disregard of permitting can result in substantial fines levied by the Selectboard and when necessary, include structure removal or expensive replanting and remediation conditions. Permit copies are kept in the Tax Map and Lot files at the Town office and are routinely reviewed by realtors, title attorneys, surveyors, mortgage companies, appraisers, and the Town Assessor. Lack of permits often results in difficulty for completing property sales involving loans as well as a number of other issues.

Please feel free to contact the Code Enforcement office with any concerns or questions about waterfront or land use activities.

Casco Fire Rescue

635 Meadow Road, Casco, Maine 04015

OFFICE OF THE CHIEF OF DEPARTMENT

2020 Annual Report

April 5, 2021

To: Don Gerrish, Interim Town Manager

Mr. Gerrish,

I am pleased to present this annual report to the residents of the Town of Casco. Last year, emergency services saw a decline in call volume to 697 responses. This is atypical of the last five years; most likely due to the Covid-19 pandemic and the decrease of travelers to Casco and the lakes region.

Staffing shortages continue to plague the volunteer fire service, this is very concerning as it is a national trend. This is even more evident as we are dealing with a pandemic. Our goal is to staff South Casco station with 2 personnel 12 hours per day and the Central station 2 personnel 24 hours per day. Over 5,500 staff hours went into training and emergency responses, that does not include meeting hours or maintenance hours to stay operational.

The standards of care constantly increase along with employee health and safety standards. This past year has been exceptionally difficult for public safety, both physically and mentally due to Covid-19 and civil unrest across our nation. I cannot thank my staff enough for everything they have done, and continue to do. If it were not for their dedication and professionalism, we would not be able to offer the level of service and care you deserve.

This year we were awarded a regional FEMA Assistance to Firefighters Grant (AFG) for approximately \$72,000.00 for the purchase of an air filling station. This system makes it possible for us to fill our breathing equipment we use to go into burning or hazardous areas.

I would like to thank you and the selectmen and most importantly the residents of Casco, who are always so supportive of our operations. We could not do it without you!

Sincerely,

Brian Cole, Chief of Department
